Friends and Family:

5 Things About Me

Choose someone in your home to be your partner for this project. It can be anyone who is old enough to understand the question.

Take a few minutes to think about the following question without talking about it to each other: If you had to describe your partner to someone who didn't know them by sharing five facts about them, what would those five things be? Once you are done thinking, write down your answers:

About Me

- 1.
- 2.
- 3.
- 4.
- 5.

About _____ (write your partner's name)

- 1.
- 2.
- 3.
- 4.
- 5.

Discuss with your partner whether you agree or disagree with their choices. Do you think the five things represent who you are?

Then, make a poster that shows the five things about you and the five things about the other person. You can make the poster at home or in school. You can add drawings or pictures or anything else you want.
